SUBJECT: Executive Board Retreat

The annual NPZA Executive Board retreat was held on July 24th-25th in North Platte. The retreat was an effective activity by the Executive Board that helped to finish the strategic planning process started by last year's board. The result will be an effective plan for the association moving forward into the future. Over the next few months the board members will finalize the matrix of the strategic plan, while subcommittees have already started work on effectively meeting the goals and strategies set forth through it.

Unfortunately, President John Johnson has resigned from his position on the Executive Board. We would like to thank John for his work as President of NPZA and wish the best for him moving forward. As a result, the board, as provided within the bylaws of the association, elected the following persons to new positions:

President: Chris Solberg – City Planner, City of La Vista
Filling the position vacated by John Johnson

1st Vice President: Judy Clark – Planning Administrator, City of North Platte
Filling the position vacated by Chris Solberg

2nd Vice President: Dan Giittinger – Public Properties Director, City of Nebraska City
Filling the position vacated by Judy Clark

At this time I would like to congratulate Judy and Dan on their election to their respective positions and thank the Executive Board on their work towards completion of what I believe will be an effective strategic plan that will improve the future of the association. I would also like to welcome to Dave Schmitz as the new Southeast District Chair, he will be taking over those duties from Dan Giittinger.

A handwritten signature in blue ink, appearing to read "Christopher Solberg", is written over a faint, larger version of the same signature.
